

# Math Homework = enVision Common Core Book and Assignments

- 1.) Log onto Pearson Success website using your username and password.  
Username: lastnamefirstname415      ex: messermackenziel415  
Password: firstinitiallastinitial415      ex: mml415
  - 2.) You will be on the home page = on top "Hello, (your name)"
  - 3.) Click on the words "TO Do" found on the right side next to "enVisionMath Common Core G4"
  - 4.) You will now be on the Assignments List page. Click on the assignment you need to do. (You should have an assignment and a game or video for each night)
  - 5.) Watch the video. Click on the forward arrow to advance after each sentence on the screen has been read out loud or whenever the audio commentary stops.
  - 6.) Take the quiz. Do that by clicking on the word "Quiz" in the list on the left side of the screen.
  - 7.) Print and complete the homework you are assigned. If you do not have ink or paper, then copy the problems down on a piece of paper and complete the homework.
  - 8.) Don't forget to click on the "I'm Done" button for each completed assignment on the Assignments List page.
  - 9.) Cut off and fill out the part below with your parent. KEEP THESE INSTRUCTIONS AT HOME!
  - 10.) There are student resources to use while completing your homework (ex: place value, counters, fractions, etc.) in your eTextbook. To access, from the homepage find the three books at the bottom of the page. Choose the book with the blue strip on the bottom of the image. IT MUST BE THE BOOK WITH THE BLUE STRIP AT THE BOTTOM. THAT IS THE COMMON CORE BOOK. Click on "Open Book". On the left side there will be a dropdown menu, find Student Resources and click on it. Click on eTools. There you will find any tools you may need to help you!
- P.S. Do not take into account the due date on the assignments page. The homework is due the day after it is assigned in class!

---

\*I understand the above instructions and will do my best to complete the tasks.
